

Katherine ROGERS

VOICE ACTOR / LA LOCAL / NON-UNION

kath.rogersvo@gmail.com

kathrogersvo.com

A spark of sunshine in a "byte-sized" package, Katherine is equal parts silly, sensible, and sass. Whether behind the mic, or on stage, she brings over 20 years of vocal performance experience and an imagination that can transform her into anything from an 80-year-old grandma to a talking terracotta pot. Specializing in animation, video games, commercial, and singing, she brings heart, humor, and vibrant energy to every voice.
